

HAPPY BIRTHDAY, CITY OF HURST!

The City is celebrating its 70th anniversary! You're invited to join us for a celebration on September 29 from 6-8 p.m. at Heritage Village Plaza. Come for live music and snacks, and leave with a special giveaway! We look forward to celebrating with you!

If you're interested in learning about the history of Hurst and how far we've come over the last 70 years, you can view our historical videos online at hursttx.gov/hursthhistory or stop by the historical gallery at the Hurst Public Library.

FREE LANDFILL DAYS

Did you know that Hurst residents have FREE access to the Arlington landfill one day a month? On the second Saturday of the month (except for December and January), Hurst residents can bring their drivers license and water bill along with their items to dispose of between 7 a.m. and 2:30 p.m.

All the details including directions inside the facility can be found at hursttx.gov/trash.

LIVE AND PLAY ACTIVITY GUIDE

Hurst Recreation's Fall/Holiday Live & Play Activity Guide is now available online! To view all of the classes and programs available this season at the Hurst Recreation Center, visit hursttx.gov/recreation.

WATER CONSERVATION

With the high temperatures we are experiencing, it's important that we continue to do our part to help conserve water. Now is a great time to brush up on the guidelines when it comes to irrigation or sprinkler systems:

- There is no watering with irrigation systems or sprinkler systems between 10 a.m. - 6 p.m.
- Although there are two allowable days, you don't have to water if your landscape does not need it.
- Watering by hand-held hose, drip irrigation or soaker hose is allowed at any time.
- No more than two hours per day maximum is encouraged.

Some great water conservation advice can be found at waterisawesome.com. We also have resources and details about your watering schedule available at hursttx.gov/waterconservation.

FIRE DEPARTMENT OPEN HOUSE

Join us for our annual Fire Department Open House on September 24 at the Hurst Main Fire Station (2100 Precinct Line Rd.) from 10 a.m. - 2 p.m. In 'n Out will be serving hamburgers, and hot dogs will be available. There will be extraction and high angle rescue demos, face painting, Fire Safety House, and all fire apparatus will be on display.

We look forward to seeing you there!

LABOR DAY HOLIDAY CLOSURE

Non-emergency city facilities will be closed Monday, September 5 for the Labor Day holiday. Garbage and recycling are unaffected by this closure.

Chisholm Aquatics Center is open 10 a.m. - 6 p.m.

HURST CERT

Hurst CERT and the Bedford Citizen Corps Council (BCCC) will be sponsoring a Community Emergency Response Team (CERT) training class starting on Tuesday, September 6, 2022.

The CERT program helps train people to be better prepared to respond to emergency situations in their communities. When emergencies happen, CERT members can give critical support to first responders, provide immediate assistance to victims, and organize spontaneous volunteers at a disaster site. CERT members can also help with non-emergency projects that help improve the safety of the community.

The training is open to anyone 18 years of older who lives or works in Hurst or Bedford. There is no charge for the training.

All the details, including application, are available at [hursttx.gov/cert](https://www.hursttx.gov/cert).
